| <p>1. BOB has continued through CALLIKAK to monitor Dr. Emil Fridolin HOFFMANN's (DOB: 10 October 1911; POB: Unglinghausen, Kreis Siegen, Westphalia, Germany) activities since writing reference dispatch. CARBOHYDRATE on the other hand has had no contact with Subject at all in months and has not been able to provide vetting service. Subject continues as actively as ever to write for foreign trade publications and to promote east/west contacts and trade. He squired some Chinese around during the Leipzig Trade Fair, arranging receptions for them and what not. He appears at present to be devoting most of his time to the Far East and is a charter member of the <u>Deutsche-Chinesische Gesellschaft</u> (EGMA-34588, 21 May 1958).</p> <p>2. We have decided to postpone indefinitely our plans for approaching Subject under any guise in view of the possibility that he would cry to his friends in the <u>Bundestag</u>. This is a legitimate risk in dealing with Subject and cannot be overlooked. The flap potential is too great to warrant further consideration of an operation at this time.</p> <p style="text-align: right;">[]</p> | | | |
